

# Please DONATE

**HELP US MAKE TAILS WAG AND PEOPLE SMILE.** Westside Animals for Adoption has found homes for more than 100 dogs in 2012. Our best year ever. Big dogs. Little cuties. Twenty-two puppies. Ten seniors. Cullen, the friendly and rambunctious black lab mix, was with us seven months before we found a wonderful home for him in Ceres. Bingo the pomeranian found his new family the first day he was available. Help us save more lives and expand our loving family of forever homes.

## YOUR MONEY AT WORK

- We take on special cases like sweet Mercy, the pit bull, who was neglected and came to us ravaged by mange. We took her to the vet for treatment, helped her recover and walked and played with her. Mercy melted our hearts. She's in a foster home now, happy and adored.
- We're not just matchmakers. We do post-adoption calls and visits. If further training is needed we're there to help.
- We board dogs from other rescue groups and provide temporary shelter to dogs from families in crisis.
- We sponsor community events that support low-cost spay/neuter programs. Our dogs are spayed/neutered, vaccinated and microchipped.
- We sponsor projects by our junior volunteers. Our juniors also help at adoption events. They're our unsung heroes.
